Provider Recruitment Grant Program

Provider Recruitment Grant Program

Purpose

- Support provider recruitment efforts to expand HPSJ/MVHP's contracted provider network
- Expand access to providers in specialized services for HPSJ/MVHP members

Grant Qualifications

- Be a new provider to the HPSJ/MVHP network
- Provide healthcare services at a professional office or clinic within the HPSJ/MVHP service area
- Be a licensed practitioner
- Be Medi-Cal enrolled as Ordering, Referring, and Prescribing (ORP) practitioner
- Meet and complete credentialing requirements
- Employed as full (minimum 30 hours per week), part-time (minimum of 20 hours per week and less than 30), half-time (minimum of 10 hours a week and less than 20 hours)
- Maintain good standing for the entire grant term

Program Structure

- Application window opens two (2) times a year
 - January 1st – January 31st (Prior year July - December recruits)
 - July 1st – July 31st (Prior January – June recruits)
- Executed Memorandum of Understanding (MOU) between HPSJ/MVHP and hiring entity
- Once MOU is executed, hiring entity completes and submits the HPSJ/MVHP Provider Recruitment Grant Application Form for each recruit
- Out of Scope – urgent care centers, ambulatory surgical centers, hospital-based specialties; specialists that practice out of area or out of country; specialties where the health plan has not identified access issues
